

Introduction: Caring for Underserved and Disadvantaged Women

Program Evaluation

OBJECTIVES:

- Review the training objectives, methodologies, and logistics for the training
- Provide learners with an overview of key issues in caring for women from racial and ethnic minority groups and from other underserved populations
- Review opportunities for course participants to try specific teaching strategies

Please circle the number that best reflects your evaluation of the program and speaker.

	Excellent	Good	Fair	Poor
Program				
Did this program meet your learning needs?	4	3	2	1
Were the objectives of this program met?	4	3	2	1
Speaker/Facilitator				
Clarity	4	3	2	1
Knowledge	4	3	2	1
Teaching Methods	4	3	2	1
