

## Lesbian Health Issues: Are They Different?

### Program Evaluation

#### OBJECTIVES:

- Heighten awareness of health care needs that are unique to lesbians
- Increase awareness of barriers for lesbians in getting quality care
- Heighten awareness of personal beliefs and attitude that may perpetuate barriers
- Develop personal and institutional "action plans" aimed at lessening/eliminating barriers

Please circle the number that best reflects your evaluation of the program and speaker.

	Excellent	Good	Fair	Poor
<b>Program</b>				
Did this program meet your learning needs?	4	3	2	1
Were the objectives of this program met?	4	3	2	1
<b>Speaker/Facilitator</b>				
Clarity	4	3	2	1
Knowledge	4	3	2	1
Teaching Methods	4	3	2	1
