

Chair, Department of Obstetrics, Gynecology and Reproductive Biology

The Beth Israel Deaconess Medical Center, a major teaching hospital of Harvard Medical School, seeks applications and nominations for the position of the Harold H. Rosenfield Professor of Obstetrics and Gynecology to serve as Chair of the Department of Obstetrics, Gynecology and Reproductive Biology at the Beth Israel Deaconess Medical Center. The successful applicant will be an outstanding academician and clinician who will be able to provide strong leadership for all of the clinical, educational and scientific activities of the Department. The Department of Obstetrics, Gynecology and Reproductive Biology at Beth Israel Deaconess Medical Center is responsible for more than 5000 deliveries per year, and sponsors residency and fellowship programs, playing a major teaching role at Harvard Medical School. The Beth Israel Deaconess Medical Center, a 650-bed tertiary and quaternary care hospital, is a founding member of CareGroupSM, an organized system of quality healthcare serving individuals, families and communities in New England.

Letters of application or nomination should be sent to:

Robert C. Moellering, Jr., M.D.
