

MR Spectroscopist

Brigham and Women's Hospital
Harvard Medical School

The Department of Radiology at Brigham and Women's Hospital and Harvard Medical School have an opening for a Senior Scientist in MR Spectroscopy at the Associate or Full Professor level. This position will enhance the Department's investment in its Functional and Molecular Imaging Program. Excellent equipment, facilities and a vibrant scientific community will support this position. The successful applicant will have a strong history of scholarly achievement and successful collaboration with clinicians and scientists. A history of success in funding investigational research is advantageous. MD/PhD or equivalent degree is required.

Interested candidates should send a CV and a cover letter to:

**Clare M.C. Tempany, MD,
Ferenc Jolesz Chair of Radiology Research
Vice Chair, Radiology Research
Director Clinical Focused Ultrasound
Department of Radiology
Brigham and Women's Hospital
75 Francis Street, Boston, MA 02115**

Harvard Medical School and Brigham and Women's Hospital are equal opportunity/affirmative action employers with strong institutional commitments to diversity in their faculty. Women and minority candidates are particularly encouraged to apply.
