

VA Boston Healthcare System  
Assistant Professor of Neurology, HMS

Assistant Professor of Neurology at Harvard Medical School. We seek an individual with an emerging reputation of engaging in cutting-edge research that will complement and extend strengths at the VA Boston Healthcare System in molecular sleep neurobiology and sleep medicine.

The candidate should have publications in top tier journals, and independent NIH grant support.

All qualified candidates are encouraged to send a cover letter, curriculum vitae, and names of three or more references by June 15, 2009 to:

[SleepResearchProf@gmail.com](mailto:SleepResearchProf@gmail.com)

VA Boston Healthcare System and Harvard Medical School are Affirmative Action/Equal Opportunity Employers. We strongly encourage applications from women and minorities.
