

Parkinson's Disease Movement Disorders

Assistant/Associate Professor

Brigham and Women's
Hospital/Harvard Medical School

Brigham and Women's Hospital and Harvard Medical School are seeking an academic neurologist with expertise in Parkinson's disease and movement disorders. This individual will see Parkinson's patients with the movement disorder group, help develop clinical research projects, and will work in collaboration with Neurosurgery on functional neurosurgery for movement disorders. Candidates should have a strong record as a clinician and clinical investigator, and have experience in deep brain stimulation for Parkinson's disease and movement disorders.

For consideration for this position, please send curriculum vitae by February 27, 2009 to:

Lewis Sudarsky, MD
Department of Neurology
Brigham and Women's Hospital
75 Francis St, Boston MA 02115
Email: LSudarsky@partners.org
