

Children's Hospital Boston

Harvard Medical School

***SEEKING COMMUNITY CHILD & ADOLESCENT PSYCHIATRIST***

---

The Department of Psychiatry at Children's Hospital Boston and The Dimock Center are offering half-time opportunity for a child and adolescent psychiatrist to join in its innovative *Children's Hospital Neighborhood Partnership (CHNP)* program. The CHNP provides accessible and effective mental health intervention services in a number of Boston area community health clinics and schools. The Dimock Center is the second largest community health center in Boston and is a primary provider of comprehensive, family centered health care. We are looking for a physician not just interested in prescribing medicine, but one wanting to join other child psychiatry colleagues in an exciting scholarly multidisciplinary program to provide community psychiatric services.

The successful candidate will have board eligibility or certification in Child and Adolescent Psychiatry. The position will include an appointment at Harvard Medical School. Women and minorities are encouraged to apply. Letter of application detailing relevant experience and a recent curriculum vita should be sent to the attention of **David R. DeMaso, MD, Psychiatrist-in-Chief, Children's Hospital Boston, 300 Longwood Avenue, Boston, MA 02115 (Tel 717-355-6724 and Fax 617-730-0428).**

Children's Hospital Boston is an Affirmative Action/Equal Opportunity Employer. We place a strong emphasis on the values of equality and diversity.
