

Children's Hospital Boston

Harvard Medical School

***SEEKING CL CHILD & ADOLESCENT PSYCHIATRIST***

---

Children's Hospital Boston offering full-time opportunity for a child and adolescent psychiatrist to join its unique Pediatric Psychiatry Consultation (PPC) Service. The PCC provides clinical services on the hospital's medical and surgical units as well as to many specialty medical programs. The PCC provides education to child and adolescent psychiatry fellows and psychology trainees. There are active research projects throughout the service. We are looking for either a junior or mid-career physician whose intent is to develop, implement, and publish academic clinical and/or educational projects in the area of child psychiatry consultation liaison work.

The successful candidate will have board eligibility or certification in Child and Adolescent Psychiatry. Specific training and experience in pediatric psychosomatic medicine is preferred. The position will include an appointment at Harvard Medical School. Women and minorities are encouraged to apply. Letter of application detailing relevant experience and a recent curriculum vita should be sent to the attention of **David R. DeMaso, MD, Psychiatrist-in-Chief, Children's Hospital Boston, 300 Longwood Avenue, Boston, MA 02115 (Fax 617-730-0428).**

Children's Hospital Boston is an Affirmative Action/Equal Opportunity Employer. We place a strong emphasis on the values of equality and diversity.
