

Children's Hospital Boston

Harvard Medical School

SEEKING OUTPATIENT MEDICAL DIRECTOR

Children's Hospital Boston is seeking a full-time Medical Director to lead its Outpatient Psychiatry Service (OPS). Providing solution-focused care to help patients and their families to effectively manage emotional and behavioral problems, the OPS contains 4 programs: Pediatric Psychopharmacology, Psychosocial Treatment, Emergency Psychiatry, and Neuropsychology. The OPS is the primary venue where our child psychiatry, psychology, and social work trainees learn evidence-based approaches to the treatment of disruptive, anxiety, and depressive disorders. We are looking for a physician with strong leadership and management skills as well as expertise in evidenced-based treatments and excellent teaching ability.

The successful candidate will have certification in Child and Adolescent Psychiatry. The position will include an appointment at Harvard Medical School. Women and minorities are encouraged to apply. Letter of application detailing relevant experience and curriculum vita should be sent to the attention of **David R. DeMaso, MD, Psychiatrist-in-Chief, Children's Hospital Boston, 300 Longwood Avenue, Boston, MA 02115 (Fax 617-730-0428).**

Children's Hospital Boston is an Affirmative Action/Equal Opportunity Employer. We place a strong emphasis on the values of equality and diversity.
