

HARVARD FACULTY POSITION IN MEDICINE (RENAL DIVISION)

The Brigham and Women's Hospital and Harvard Medical School are seeking nephrologists for full-time faculty appointments at the level of Instructor/Assistant Professor. Candidates should be board eligible/board certified, with a focus on clinical research involving clinical trials and/or translational research. This position includes direct patient care and teaching responsibilities with a primary focus in clinical research. Brigham & Women's Hospital and Harvard Medical School are Affirmative Action/Equal Opportunity Employers. Women and minorities are encouraged to apply.

Interested individuals should send via mail, email or fax their CV to:
