

Application for Leder Human Biology and Translational Medicine (LHB) Program

Deadline: November 13, 2017

Intended applicants: Harvard University graduate students in their first year, in a HILS graduate program. Details of the LHB Program can be found at the LHB Web Site: (<http://dms.hms.harvard.edu/lhb/Students.html>)

Please download this document, fill it out as a word document, and return by email to Kim Burman (kburman@genetics.med.harvard.edu). Include your personal statement (see below) as a separate word document and label both documents with your name.

All students will be interviewed sometime during Nov. 15-22. Note that the first class, "Case studies in translational research", is required and begins the first week in January. A "welcome dinner" will take place around the first week in December.

Name (Last, First, Middle initial) _____

Address _____

E-mail _____

Phone number _____

Harvard ID number _____

Graduate program in which enrolled _____

Name of director of graduate program _____
